**Subject:** Gold King Mine FOIAs

Please be advised 4 new FOIAs relating to the Gold King Mine Spill were opened this morning. I have attached them so that you are aware of the nature of the requests.

FOIA EPA-R8-2015-009766 is a Media Request from CNN which seeks information

from Regions 6,8,9 and HQ(Complex Track). I have tasked other regions within this FOIA for a single response. It should be noted that similar requests were entered into the FOIA system under the following numbers: EPA-XX-2015-009764 (HQ), 009765(R6), and 009767(R9). I will be working with HQ staff to ensure we provide a consolidated response.

Mike Boydston, Richard Sisk, Becky Dolph and I will be conferencing this afternoon at 130 PM to make sure we are working together to provide unified responses.

Please let me know if you have any questions.
